Annecy train station: from the station, by bus or on foot to all venues.

Bikes are also available in Annecy : <https://www.sibra.fr/velonecy>

From Geneva airport, a shuttle is provided by the local authorities : approx. travel time 1h

Lyon airport is about 1 hour 30 mins drive from Annecy; coaches and trains take about 2 hours to get to Annecy train station.

Stands :

During breaks for coffee and lunch, or if you are not attending a workshop, you can view the stands presenting our technical partners. Stands will be on show in the white room at ESAAA.

Translation :

The round tables and workshops will take place in French and English. You are eligible for simultaneous translation in both languages. Proof of identity will be required in order to obtain headphones. Your ID will be given back to you at the end of the day when you return your headphones to the translation team. The interpreters will be in the same room as us – there is no special cabin for them. We therefore ask you to respect a rule of complete silence when entering and leaving the room so they can work to the best of their abilities.
